**STUDENTS FEEDBACK ANALYSIS AND ACTION TAKEN**

Students feedback is essential element of the learning process. The college collects feedback on various aspects from the students has been analyzed and action taken to strengthen the quality of teaching learning environment and to look for opportunism to improve over-all performance including teacher classroom engagement with students to bring excellence in teaching and learning.

The questionnaire (in online google form) is intended to collect information relating to your satisfaction towards facilities and services provided for creating conducive atmosphere for teaching and learning. The information provided by the students was kept confidential and was as important feedback for quality improvement of the various courses and programs of field by college.

In order to arrive at comprehensive result statistical analysis and graphic representation has been undertaken. The responses are scored in a four-point scale for each item i.e. very good, good, average, below average. Students indicates his/her level of agreement with the following statements by selecting appropriate option. Total consolidated responses received were 362 from both U.G. and P.G. students of various department of college.

The IQAC has analyzed the responses of student's feedback form and report submitted to, Principal who in turn discuss at various fora including meeting with the head of the department.
